

## SUPREME COURT FINDS NO ERROR

Decision in Case of Robbins & Potter vs. Water Commissioners of New London Sustained—Windham County Case Heard.

The January term of the supreme court of errors for the first judicial district was opened Tuesday morning in the capitol at Hartford. Prayer was offered by President F. S. Luther of Trinity college. Sheriff E. W. Dewey opened the court.

One Windham county case was taken up, that of Ferdinand Girard against the Grovenordale company, plaintiff's appeal. The counsel in the case were Brown & Perkins for the plaintiff and Searis & Russell and Edward C. Stone for the defendant. According to the statement of the case in plaintiff's brief at the first trial of this case the plaintiff had a verdict for \$5,000 and the defendant appealed, not only for errors in law, but also for the denial of its motion to set aside the ver-

dict as against the evidence. A motion for non-suit was denied on that trial. A new trial was granted by the supreme court for an error in the charge, and upon the second trial upon substantially the same evidence as in the former record the court granted a non-suit on the ground of plaintiff's contributory negligence. And the plaintiff now appeals from the court's refusal to set aside the non-suit. The reasons of appeal relied upon are: Excluding evidence of the plaintiff and the denial of plaintiff's motion to set aside the non-suit.

The supreme court of errors handed down decisions in seven cases as follows:

Hartford county—Mary R. Nichols, adm., vs. the town of Manchester. Er-
